PREFACE

Henderson, North Carolina

Population Greater Henderson 16,410 **Altitude 509**

Henderson, North Carolina, is situated on U. S. Highway No. 1, 42 miles north of Raleigh, the state capitol and 115 miles south of Richmond, Virginia. The altitude of Henderson is a comfortable mean between lower plains and the hilly and mountainous regions of Western North Carolina. Cool summer nights and moderate winters make for a pleasant climate and a healthful place in which to live.

Henderson is served by bus from points north, south, east and west, over highways U. S. No. 1, 158 and State Highway 39. Rail transportation is furnished by the Seaboard Air Line Railroad Company direct from New York to Miami and by a branch of the Southern Railway. Truck transportation is furnished by nationally known fleets.

The City has lovely residential sections, stately churches, excellent schools, a beautiful park and splendid manufacturing sites.

EXCELLENT SCHOOLS

Educational needs of the children of Henderson are excellently provided for by a modern system of well-financed and expertly directed public schools housed in attractive structures for both the white and negro population. There are three roomy, well-lighted grade school buildings, a junior high school building, and a beautiful new senior high school building for white children. There are separate grade and high schools for negro students. The senior high school is of modern Gothic design, typical of advanced Southern architecture for modern school buildings. There are three recognized kindergarten schools for preschool children, a business college, a negro junior college, and other educational facilities maintained in and near the city. Wake Forest College, N. C. State College, Duke University, Meredith College, Peace Junior College and Saint Mary's College are located within a radius of 40 miles of Henderson.

INDUSTRY

Henderson, the county seat of Vance County, because of its natural position as the hub of a four-county area with a population of more than 113,000, Henderson in recent years has grown tremendously as an industrial center. With a labor market second to none in North Carolina, Henderson industrial payrolls approximate $7,000,000 annually. Between 3,900 and 4,200 workers are employed regularly in local industry. Henderson is a dominant community in a growing industrial area.

Products manufactured and processed in Henderson's many industrial plants include chemical fertilizers, motor trucks, cotton yarns, upholstered furniture, jute bagging, jute under rugs, sisal pads, cotton batting, automotive insulation felts, men's and boy's sox and anklets, mattresses and bedding, lumber and lumber products, automotive parts, clothes hangers, concrete blocks and products, grain, feeds and flour, crushed stone, tungsten and minerals.

The huge Carolina Bagging Company, the world's largest jute products manufacturer, operates two plants in Henderson which cover more than 25 acres of ground. The Corbitt Company manufactures the famous Corbitt heavy duty trucks, truck-tractors and trailors, units which won wide acclaim during the recent world war. Trucks manufactured by this concern were responsible for the company's being awarded the Army-Navy "E" award for excellency of product and production.

Henderson and Vance county is also becoming recognized as a mining center for this section of the state. The Tungsten Mining Corporation maintains the largest tungsten mining operation on the continent. More than 600,000 tons of crushed granite are shipped from the county annually from huge quarries.

ROSE'S 5-10-25c STORES

Headquarters of ROSE'S 5-10-25c STORES, which is the largest chain of variety stores operated exclusively in the South, are located in Henderson. This organization now operating 132 stores in five southern states, was founded in Henderson in 1915.

AGRICULTURE

Henderson and Vance county are the center of a wide area of the finest agricultural lands in North Carolina. Tobacco and cotton are the principal cash crops, with progressive programs carried out annually to stimulate the growth of feed for livestock and dairy producers. About 12,000 acres of tobacco are planted annually, and about 4,800 acres of cotton.

Henderson's huge auction tobacco market, from which emanates the chant of the famous tobacco auctioneer, annually sells approximately 30,000,000 pounds of flue-cured, or cigarette-type tobacco. The market is served by seven warehouses, covering more than half a million square feet of floor space, and operates two complete sets of buyers representing all domestic and foreign company buyers of this type of tobacco. There are seven major buying companies located in Henderson. As much as $15,000,000 has been paid to growers of tobacco during a single season. Vance County is located in the center of the Bright Leaf Tobacco Belt. Tours of the Tobacco Auctions conducted by Chamber of Commerce in cooperation with Tobacco Board of Trade free of charge.

Approximately 32 per cent of all land in Vance County is devoted to agriculture. Divided among the remainder of land is industry, residential properties, sub-divisions and forestation.

THE HENDERSON CHAMBER OF COMMERCE

313 S. Garnett St. **Phone 354**

Henderson Statistical Review

WHEN YOU WANT TO KNOW:

—where a person lives.

—what his occupation is.

—who lives at a certain number on a street.

—where a street is located.

—the correct spelling of a name.

—the officers of a corporation.

—the partners in a firm.

—the solution to any of scores of problems that pop up unexpectedly to annoy and baffle you.

—you can quickly find the answer in the City Directory.

Southern Directory Co. **Asheville, N. C.**

THE CITY DIRECTORY

represents the city and its institutions in every corner of these United States

ASSOCIATION OF NORTH AMERICAN DIRECTORY PUBLISHERS
PRO BONO PUBLICO
ORGANIZED 1898

Are You Properly Represented In It?

The Classified portion catalogues the professions and goods handled here

Are You Listed Under Your Proper Heading
So the Prospective Buyer Can Find You?

"Think It Over"

MILLER'S
Numerical Telephone Directory
—OF—
HENDERSON, N. C.

VOL. VII **1951-1952** **VOL. VII**

Containing a list of telephone subscribers arranged according to telephone numbers. Since telephone numbers change rapidly, it is suggested that persons using this list refer to the latest edition of the regular telephone book in order to verify the information contained herein.

HENDERSON, N. C.

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE AND DENOTING BUSINESS PLACES

VOL. VII 1951-1952 VOL. VII

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(•)—Before name denotes home-owner.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.

ADAMS—From 684 Vance east to beyond city limits

NO. 1 HWY. NORTH PHONE 79-W

This Publication Is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media, and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.
